To Whom It May Concern:

Re: Amanda L. Maze

Since approximately 2003, Amanda has been my court reporter of choice. I use her for both deposition and trial work. She always provides quick turnaround on transcripts. Moreover, her real-time, internet streaming, and rough drafts are of such a high quality, I can easily use them for the following day's trial or deposition prep. Beyond her professional skills, Amanda is amiable and accommodating. Put simply, Amanda is a pleasure to work with. I highly recommend her services.

Very truly yours,

Patrick J. Kanouff
