RE: Stevens-Koenig Reporting

To Whom It May Concern:

On behalf of Stevens-Koenig Reporting and Judy Stevens, I would like to give my highest recommendations for her court reporting services. Judy is always pleasant, professional and courteous, and her staff is highly qualified and professional as well. Judy is a resource for video depositions and video preservation depositions locally and nationally. Stevens-Koenig Reporting has assisted my staff with scheduling out-of-state depositions and can assist with setting up video-conference depositions as well.

Even on short notice, Stevens-Koenig Reporting has been able to provide me with a reporter for a deposition. With the growing business, Stevens-Koenig Reporting has the staff available for those last-minute depositions. Judy goes the extra step to make sure you have the coverage you need.

Stevens-Koenig Reporting is also a "green" company. If you allow Stevens-Koenig Reporting to send your transcripts in an electronic format, without sending you a printed hard copy, you will receive a discount per deposition. This is an on-going offer, not just a one-time offer, and a savings to you and your client.

If you have any questions regarding Stevens-Koenig's reputation and professionalism, please do not hesitate to call me.

Sincerely

Tom W. Lamm
